

# EU DECLARATION OF CONFORMITY

# OOONO

The declaration applies to:

|            |         |
|------------|---------|
| Product    | Model   |
| OOONO PARK | OPS-100 |

Name and address of the manufacturer or his authorised representative:

OOONO A/S  
Gearhalsvej 1, 1<sup>st</sup>  
2500 Valby  
Denmark

Phone +4570202082 E-mail support@oono.com Website <https://oono.com>

This declaration of conformity is issued under the sole responsibility of the manufacturer

Object of the declaration

The OOONO PARK is a battery powered electronic parking disc. The OOONO PARK has a clock and a motion sensor that detects if it is driving or parked. When entering parking mode OOONO PARK will set the time to the first half hour, 15 min or on time depending on setting. When driving for 2 min parking time will be reset and set again at next parking. The clock runs in the background undisturbed.

The battery type is CR2450 3V non rechargeable.

The object of the declaration described above is in conformity with the relevant EEC/EC/EU directives and regulations:

|                             |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| 2011/65/EU + EU<br>2015/863 | Restriction of Hazardous Substances in Electrical and Electronic Equipment Directives (RoHS 2 & RoHS3) |
| EC/1907/2006                | Registration, Evaluation, Authorisation and Restriction of Chemicals Regulation (REACH)                |
| 2012/19/EU                  | Waste Electrical and Electronic Equipment Directive (WEEE)                                             |
| 2006/66/EC                  | Batteries and Accumulators and Waste Batteries and Accumulators Directive                              |
